

Preserving the Power of Scotch Cap Genetics

25TH ANNUAL PRODUCTION SALE

Wednesday, **February 12**, 2025

1:00 PM (CST) Bull Center - Clarkson, Nebraska

At Jindra Angus we have stayed the course and continue to produce the same venue of high performance cattle. Our herd is influenced by genetics from many great Angus programs, but our gene pool grows most heartily from Scotch Cap genetics. The commitment to these genetics is consistent over time, and far more intricate than following fads or using popular sires.

Fellow Cattlemen,

We are all very excited to welcome you to our 25th Annual Production Sale this year! As we reflect on the past 25 years, things have changed a lot in the beef business! Through all the different challenges we as beef producers have been faced with, it is very rewarding and reassuring to see that the consistency and quality of our product has improved exponentially. It is very gratifying to be a part of this industry as we continue to improve our product and the profit potential for you, our customers. The friendships we've made and the ability to work with so many great people is beyond words to explain, but what a whirlwind of fun it has been! To our past customers and future acquaintances alike, thank you all so very much!!

Our 25th Sale Offering this year is nothing short of special and features a great variety of top genetics that boast modest birth with explosive growth and tremendous phenotype. The offering also is solidified with proven carcass and maternal merit of a very high caliber. This is the most consistent and complete set of Sale Cattle that we have ever offered! As you scan the offering, I hope you find a good variety of sire groups and candidates to meet your particular needs. Let us know if we can visit further about it or help you out in any way. On behalf of the entire Jindra Angus Family, we all greatly appreciate your consideration and warmly invite you to join us on or before February 12th!

Nick
402-920-3171
nickjindra@hotmail.com

Nick, Lydia, Carrie, Emma, and Cole Jindra

A big thanks to all the great people, friends, and family who are a part of making this happen!

SIGHT-UNSEEN SATISFACTION GUARANTEE

Buyers unable to attend the sale may contact any of the listed references for help in placing their bids. Bids may be taken on the phone during the sale if enough phone lines are available, but that cannot be guaranteed. All bids left are held in confidentiality and purchases are guaranteed to meet your expectations. Let Nick know if you have any questions. 402-920-3171

TERMS AND CONDITIONS

Jindra Angus does not assume any liability in case of an accident. All cattle will sell under the terms and conditions recommended by the American Angus Association.

VIEWING THE SALE AND BIDDING ONLINE

The sale will be broadcast this year exclusively on DVAuction so please log on ahead to register at www.DVAuction.com. You will be able to watch and bid in real time from this site if you are unable to make it to the sale.

VIEWING THE CATTLE AHEAD OF THE SALE

Videos of the cattle can be viewed at www.DVAuction.com in the video catalog section ahead of the sale. Look for any updates on our website www.jindraangus.com or call Nick at 402-920-3171.

HEALTH PROGRAM

All cattle have been preconditioned and vaccinated again at weaning time with IBR, BVD, BRSV, PI3, 7 way and pasteurilla. They were poured and dewormed in the fall and again in February. The bulls will be semen evaluated and vaccinated with Vibrio Lepto. The heifers were bangs vaccinated and have also been vaccinated with Vibrio Lepto.

DATA

Please note that fall bulls are listed intermittently with the spring bulls under the proper sire group. Data for weights and ultrasound were collected under different conditions so do not compare spring bull data directly with the fall bull data. EPDs are genomically enhanced and are current as of 1/20/25.

SUPPLEMENTAL DATA

Ultrasound and updated data will be available on a supplement sheet on our website prior to the sale and available at the sale on sale day.

Advertising & Catalog Design by KWC Print Design - Kelli Chrisman

FIRST BREEDING SEASON GUARANTEE

Bulls are guaranteed against breeding injury for the first breeding season which is defined as the 90-day period following the first turnout of the bulls. In the event that an injury occurs please notify the seller as soon as possible to coordinate appropriate action.

RETAINED INTEREST AND SALE ORDER

Jindra Angus will retain 1/3 semen revenue sharing interest in all of the bulls in this sale unless otherwise stated. The buyer has full possession and salvage value of the bull at the end of his useful life. Any further semen interests or flushing rights will be announced sale day. All announcements take precedence over printed material in this catalog. A sale order will be posted online ahead of the sale.

DELIVERY & TRUCKING DISCOUNT

Bulls will be wintered at no charge and delivery will begin in March. Bulls picked up within a week of the sale will receive a \$50/head discount.

THE 25TH ANNUAL PRODUCTION SALE!

Dear Cattlemen,

The 25th Annual Production Sale for Jindra Angus in 2025, brings forth a new dimension of performance Angus stacked upon multiple generations of progress. Through all phases of the market, the extra pounds and performance that you expect from Jindra Angus bulls creates exponential value in their progeny. Rich in the best of Hoff Scotch Cap breeding, this program is designed to add growth and performance to the bottom line. In recent years, outcross blood has been added to further assist customer needs. The Jindra prefix assures the genetic potency to consistently transmit more pounds and gain ability. A constant that continues to remain in the beef cattle industry regardless of price level is that cattle are sold by the pound. The reality is that cattlemen who are able to sell more product at weaning and yearling time, or as finished cattle, make more money, and with those factors in mind, performance continues to prevail.

This sale offering includes 161 registered Angus bulls plus 36 registered Angus heifers. An excellent selection of high quality individuals sell in both divisions. Featured sires include Foxhovens Endeavor 203, Jindra Off Road, Ellingson Prolific, 4M Blockade 120, Simonson Stryker 942, Jindra Open Road, SAV Magnum 1335, Jindra Bravo, Connealy Commerce, Jindra Expansion, Connealy Craftsman, Jindra Assurance, Schiefelbein Top Gun, Jindra Double Vision, Connealy Pinnacle, Jindra Executive and Jindra Cutting Edge.

Nick Jindra has diligently carried forward the best of Hoff Scotch genetics. Unlike any other herd today, Hoff Scotch Cap genetics are

found here in the same full concentration as they were in Bison, South Dakota, where commercial and registered cattlemen from around the world would annually pilgrimage. Now, years gone by since the final Hoff Scotch Cap Dispersal, it is rare if not impossible to find the degree of full blood Hoff Scotch Cap genetics, preserved and enhanced, as in the Jindra program. Valuable outcross alternatives are available here.

If your program doesn't already include Jindra bulls, it is not too late to get started capturing the benefits, and if you have been an ongoing customer, you already know the advantage of stacking generations of Jindra genetics. Nick knows the beef industry through his first hand involvement in the production of breeding stock, a commercial cowherd and the feedlot segment. You can be assured that your individual goals and concerns are clearly identified.

It is a pleasure and privilege to work with Nick Jindra and his family in the presentation of his powerful Angus bulls and females. Please don't hesitate to call us at the American Angus Hall of Fame if we can be of assistance in any way. We are here to serve.

Sincerely,

Tom Burke

Kurt Schaff

Endeavor was purchased as an elite calving ease prospect who stood apart in the 2023 Bull Sale Season boasting a tremendous phenotype and number package. He is a strong topped and boldly made calving ease bull with exceptional performance, foot quality, and disposition. He has quickly become a sure shot "Go To" option for heifer projects in both registered and commercial arenas. He offers dependable calving ease along with performance and all the key fundamentals that are hard to keep together in that venue. The Endeavor sons are stout and stylish and the heifers are tremendous young females. Most of his sons are suitable for heifers.

Stryker was a standout and high seller in his calf crop at Minert Simonson. He was sought after by astute cattlemen, standing apart on account of his outstanding phenotype and impressiveness on the move! His progeny are stout, soggy, and powerfully made while offering incredible style and eye appeal with a well balanced phenotype. Many sons are suitable for heifers.

Magnum is a well balanced sire from the ST lineup with great curve bending credentials and performance. His progeny are thick and fast performing with a good look. His daughters should be sensational as well! Many sons are suitable for helpers.

Off Road was the high selling standout in our 2023 Production sale where he sold for \$104,000 to Northway Cattle. He offers added length, powerful muscle shape, and correct foot and stature that is top tier among powerful growth bulls in the breed. His first calves are wide topped and performance oriented coming in pounds heavy with a great look. He carries the torch forward for a new era of Scotch Cap style breeding with powerful phenotype, added growth, carcass quality, tremendous foot quality and stature, good disposition, and tremendous maternal quality. His dam is a fabulous donor female from the Hoff Ebony family and his sire we consider to be the most dominant grandson of Hoff Insignia. Use his sons to add performance, growth, and maternal power.

Blockade offers an exciting group of powerful, blocky made, fast maturing beef bulls that are very stoutly made! His sons in our offering should increase weaning weights and work very well to add base width and performance without increasing frame size.

Assurance was the feature and high seller of our 2021 sale where he stood apart in terms of his stellar phenotype and stature. He represents the most prolific individual out of 2 large flushes, combining the power of No Doubt with the top maternal quality of Acclaim's dam to be one of the very best beef bulls you can find in the industry. His son's are well made beef bulls that cover all the bases. His first daughters in production are amazing, good females with immaculate mothering ability, great udders and phenotype!

Prolific is a powerful performance sire from the ST lineup. His sons are beefy, thick, and powerfully made. They should work very well to add performance and eye appeal without adding any extra frame size.

The Commerce sire group has been very popular offering eye appealing progeny that performed and also offer the latest in high numbers. They are thick sons with a catchy look and great curve bending potential. Many are suitable for heifers.

The Craftsman progeny are a thick and powerful group of bulls. They are boldly made with a strong hip and top. Look to these well rounded sons to keep improving growth and phenotype! Lots 122-127 offer an incredible flush from the powerful 611 donor. These older bulls are some tremendous individuals!

9532 was a leadoff and highlight of the 2021 James Angus Sale. A high indexing member of his flush with a powerful phenotype, he was selected as an outcross sire with calving ease potential. His sons are stylish with lots of potential and versatility!

Cutting Edge is a really sharp and stout made Colonel son we used as an outcross. His length of body, balanced muscle expression, and strong indexes along with the powerful cow family behind him make him a powerful sire. His progeny have the added length and performance of the traditional Hoff Scotch Cap Genetics.
