

## Jindra Angus Internship Application

We are offering college students an opportunity to obtain valuable on the job experience for those with a genuine interest in the cow/calf industry. This internship relates to all areas of cow/calf management during calving season. Responsibilities will include monitoring the calving process and caring for newborn calves with emphasis on proper nutrition, health, husbandry and cattle handling. Guidance will be given on working directly with cows and their calves throughout the calving season.

The paid internship, beginning January 3<sup>rd</sup>, lasts 10 weeks. Housing options can be discussed.

Selection guidelines include:

- A field of study applicable to the internship;
- Ability to work hard and adapt to a fast-paced environment;
- Demonstrated leadership abilities;
- Strong communication skills.

To apply for this internship, complete the questions below and email this application, **along with your resume**, to [brookejindra@hotmail.com](mailto:brookejindra@hotmail.com)

*Application Due Date is December 1<sup>st</sup>*
